# CASTLEVANIA PIPE ORGAN VIDEO

**REMEMBER THAT THING** about how that guy was going to play Castlevania music on a 100-year-old pipe organ at Yale? Well, he did, and Iup has footage. I hate Sam Kennedy, who got to see this live.

I also hate the douchebags who go to Video Games Live and applaud and hoot and holler in the middle of songs because they recognize the game that it's from. It's one of the worst things about game music concerts right now. Shut up. Yes, I played that game too. Shut up. Listen.

Anyway, watch this video! Pianist Martin Leung totally rocks the house.
